Bringing German Technology to the Asian Market

Redesigning a website for Schmoll Asia Pacific.

Client

Schmoll Asia Pacific

Scope

- User flow analysis
- Website UI (User Interface) design
- Programming

Staying Ahead with a Well-Presented Website

Schmoll Group is an international leader in high-precision machinery with innovative technology from Germany. They engaged Chill Creative to redesign the Asia-Pacific branch website to reflect its leading market position. Chill Creative took the initiative by reviewing the company's overall identity before redesigning the website with brand-consistent colour schemes, modernising the overall look and feel during this process.
