Consultant Report Makeover

Maximising value through data visualisation and layout design in a consultant report.

Client

Generali Insurance

Scope

- Brochure and leaflet design
- Annual report and book design

The Value of Presentation: Transforming a mundane report with attractive graphs, images and design

A boring word document can become a visually attractive report through the use of custom graphs and images. Good presentation is not only achievable; it's also a highly effective way to help your viewers access important information easily while retaining their attention.
